- The PopGrip for MagSafe-Round is the next generation of MagSafe grips, securely attaching to your MagSafe-compatible case for maximum grip and stand utility, while simply sliding off (when you want it to) for MagSafe charging.
- Like a classic PopGrip, it sticks flat to the back of your phone.
- Once extended it becomes a media stand and grip, making it easier to text with one hand, snap photos, or watch videos hands-free.
- Can only be used in conjunction with a MagSafe-compatible phone case or device.
- For best results, use it in conjunction with a phone case.
- The gel is designed to stick to most materials, but it may have issues sticking to silicone, waterproof cases, and textured materials, like leather.
- Includes: insert card with instructions & recycled packaging.
